- Built-in speakers with optional Auto Focus Webcam

[VIEW ONLINE](#)

The 27" Medical display is a solution crafted to fulfill the requirements of various medical applications. Its PCAP Multi- Touchscreen allows for natural and interactive user interactions. The display boasts a white housing made with anti-microbial materials, ensuring a sanitary and hygienic setting. It is equipped with user-friendly buttons for effortless navigation and control, facilitating convenient operation. Featuring multiple USB ports, including USB 2.0 and USB 3.0, as well as HDMI connectivity, it seamlessly integrates with peripherals and external devices. The TMD-65-27 includes an external 72W medical power supply for dependable performance. The display accommodates a wide range of medical use scenarios.
