- Universal Quick Release Powered Dock with Key Lock

[VIEW ONLINE](#)

Designed for use with both the TRT-5380-10 and TRT-5380-12, this forklift docking station is ideal to withstand harsh environments in transportation. A quick release button allows you to undock the tablet with ease or secure it with the built in Key Lock for theft prevention. This dock comes equipped with multiple inputs and outputs, including locking power and USB connections to provide a sustainable connection in rigorous environments.
