

Give Your Devices a New Lease On Life

With Teguar's

REFRESH PROGRAM

- MULTIPLE OPTIONS:** The Teguar Refresh Program offers our valued customers an alternative to purchasing new units by providing options to add components to their existing devices.
- AFFORDABLE UPGRADES:** When budgets constraints arise, our Refresh Program allows you to enhance your units with components such as increased RAM, larger SSDs, upgraded WiFi, and more, without the need to buy new units.
- CUSTOMIZABLE:** Whether you prefer to refresh all units at once or in convenient batches, our flexible program accommodates your needs. Rest assured, there's no difference in pricing per unit as long as you commit to the agreed-upon quantity and pricing up front.
- QUOTABLE SERVICE:** Reach out to your dedicated sales representative today to kickstart the quoting and approval process. Our team will guide you through the seamless experience of upgrading units through our Refresh Program.
- BULK DISCOUNTS AVAILABLE:** Undertaking a larger project? We've got you covered! Enjoy attractive bulk discounts for substantial projects, making the Teguar Refresh Program an even more cost-effective solution.
