

ADVANCE REPLACEMENT PROGRAM

Introducing Teguar's Advance Replacement Program – a solution that combines the benefits of our Deluxe Warranty with expedited replacement services, minimizing disruptions and maximizing efficiency.

The essence of the **Advance Replacement Program** lies in its swift and efficient process. When you encounter a defective unit that requires repair at Teguar, a replacement unit is promptly sent to your location. You are granted a 10-business-day window to return the faulty unit after the replacement has been delivered to you.

Key Features:

SWIFT REPLACEMENT PROCESS: When your defective unit reaches Teguar, a replacement unit is immediately dispatched to your location. This ensures that you experience minimal downtime, keeping your operations running smoothly.

GENEROUS RETURN WINDOW: You have a window of 10 business days from the delivery of the replacement unit to return the defective one. This flexible timeframe eliminates the need for on-site spares, saving both space and costs.

REDUCED HASSLE: Say goodbye to the hassle of managing multiple spares. Our program provides you with a seamless alternative that is efficient, cost-effective, and hassle-free.

FULLY CONFIGURED UNITS: The replacement unit you receive is fully configured and ready to use. This eliminates any additional setup time, ensuring a seamless transition.

QUICK SUPPORT TICKET PROCESS: Open a support ticket requesting an advance replacement, and within just 1 business day, your fully configured replacement unit will be on its way.

DELUXE WARRANTY BENEFITS: The **Advance Replacement Program** encompasses all the advantages of our Deluxe Warranty, providing you with comprehensive coverage for your devices.

For pricing details tailored to your needs, please request a quote. We are committed to offering competitive pricing that aligns with the value and efficiency our **Advance Replacement Program** delivers.
