

CUSTOM BIOS PROGRAM

Are you looking to personalize the functionality and appearance of your Teguar product? With our **Custom BIOS Program**, you now have the opportunity to create a truly unique experience. Our expert team will work closely with you to implement custom changes to the BIOS factory default settings, ensuring your product reflects your specific requirements.

Here's How It Works:

1. PROVIDE US WITH YOUR DESIRED LIST OF CHANGES:

Whether its fine-tuning system configurations or optimizing performance settings, simply share your customization requests with us.

2. (Optional) CUSTOM SPLASH SCREEN IMAGE:

An extra touch of personalization can be added by incorporating a custom splash screen image, making your product truly stand out.

3. DEVELOPMENT OF CUSTOM BIOS:

Teguar will meticulously craft a custom BIOS based on your specifications, ensuring seamless integration with your purchased Teguar computers.

4. TESTING AND CONFIGURATION:

To guarantee a flawless experience, we will create a dedicated custom BIOS line item in our testing and configuration process. This ensures that your custom BIOS is loaded onto all your Teguar computers.
